

# CULP-HENSON PRIVATE CARDIOLOGY & INTERNAL MEDICINE PROUDLY INTRODUCES

## *Dr. Sylvie K. Giroux, M.D.*

### OUR NEW CONCIERGE PRACTICE PHYSICIAN

Dr. Sylvie Giroux is board certified in both Cardiology and Internal Medicine. She completed her Internal Medicine residency at McGill University, Montreal and her Cardiology Fellowship at Georgetown University, Washington, D.C. Following her training, Dr. Giroux practiced cardiology in New Mexico and Michigan. She participated in numerous clinical research trials before relocating to Sarasota to be closer to family. She is fluent in both French and English and is an avid racing fan who served on the Montreal Formula One medical team. She is passionate about patient care and prevention and has spoken at many events to raise awareness for heart disease in women.

Heart disease is the leading cause of death for women in the United States. The first Friday of February, American Heart month, is dedicated to raising awareness about heart disease and women. Dr. Giroux emphasized that we have been doing an excellent job in breast cancer screening in American women but we have a long way to go when it comes to cardiac screening. She looks forward to continuing her work with women's health in Sarasota.

*"Dr. Giroux shares our firm belief in the importance of exceptional patient care and communication. Her patient-centered approach ensures that each patient is treated with utmost respect and consideration. She is committed to fostering a collaborative relationship that empowers patients to take an active role in their health care." – Stephen Culp, MD, FACC, FSCAI*
